About Us

Microtek Learning's Purpose is to Enhance Your Knowledge Today for a Better Tomorrow

We Transform Your Career By Empowering Your Skills.

We are the leading training provider, helping professionals from different industries and sectors develop new skills and eliminate the skill gap to gain recognition and grow globally. We intend to deliver high-value training via practical and innovative approaches. Microtek Learning is one of the most trusted IT training organizations globally. We have headquarters in the USA, Canada, and India. Our vision is to empower the world through education.

Our prices are figured using a Cost-Plus model. Country-wise price is adjusted as per the PPP - Purchasing Power Parity.

The company's founders are passionate entrepreneurs who noticed the need to full-fill a gap in the IT training industry for professionals. They're helped in their goal by industry specialists who conduct workshops, igniting brains and propelling professionals to face on-the-job obstacles.

Our Motto for Corporate Training

Microtek Learning offers many authorized training programs to enable prospective IT professional to keep up with the industry's ever-changing technologies and help them continue their professional development. Our corporate training was created with this in mind.

We can provide you with customized solutions for all your training requirements—organizations seeking consultancy or training services to improve worker performance and promote business success. Businesses have benefited from our expertise in bridging the knowledge and talent gap.

Quick Facts

We server **80%** of the Fortune 1000 companies	We have served **14K+** enterprise customers	We have trained **150K+** professionals
We are recommended by **98%** of our customers	We have **3000+** certified instructors	Microsoft recognized us as **No.1** training partner of the year

October 23, 2023
November 27, 2023
December 18, 2023

CSX Practitioner II: Detection Training

5 Days │ $3995

CSX Practitioner II: Detection Training educates individuals about the basic methods, concepts, and tools used to leverage cybersecurity controls and enhance their ability to detect system events and non-events incidents.

Schedules
November 13, 2023

CSX Practitioner III: Respond and Recover Training

5 Days │ $3995

CSX Practitioner III: Respond and Recover Training is the final course in the CSX practitioner series, and it inspects both the Respond and Recover domains.

Schedules
October 16, 2023
November 6, 2023
December 4, 2023

CSX Practitioner Exam Prep Course Training

5 Days │ $3495

CSX Practitioner Exam Prep Course Training prepares you for the examination and helps you revise everything quickly.

Schedules
October 30, 2023
November 20, 2023
December 11, 2023

CSX Cybersecurity : Cybersecurity Fundamentals Training

2 Days │ $1399

Cybersecurity Fundamentals Training is developed for professionals with an extensive understanding of the principles that define and frame cybersecurity.

Schedules
October 19, 2023
November 9, 2023
December 7, 2023

CRISC Prep Course Training

3 Days │ $2195

In this course, you'll cover all four domains of the ISACA Certified in Risk and Information Systems Control (CRISC) exam and gain the knowledge and concepts required to obtain CRISC certification.

Schedules
October 25, 2023
November 22, 2023
December 13, 2023

AWS

Architecting on AWS Accelerator Training
5 Days │ $2499

Architecting on AWS Accelerator Training focuses on educating people about the appropriate method to architect for the AWS Cloud.

Advanced Developing on AWS Training
3 Days │ $1999

Advanced Developing on AWS Training comprises various of advanced development topics, including deconstructing on-premises legacy applications, architecting for a cloud-based environment, and relocating them into cloud-based architectures.

Schedules
October 25, 2023
November 6, 2023
December 19, 2023
February 20, 2023

AWS Technical Essentials Training
1 Day │ $599

AWS Technical Essentials Training introduces professionals to AWS products, services, and common solutions. It helps you learn the basics of recognizing AWS services to easily make an informed decision regarding IT solutions according to your business requirements.

Schedules
October 3, 2023
October 4, 2023
October 10, 2023
October 17, 2023
October 24, 2023
October 27, 2023

December 1, 2023
December 5, 2023
December 12, 2023
December 21, 2023

AWS Business Essentials Training
1 Day │ $599

AWS Business Essentials Training is developed to help professionals gain the right information regarding cloud computing and cloud strategies.

AWS-ADV: Advanced Architecting on AWS Training
3 Days │ $1999

Advanced Architecting on AWS Training is a comprehensive guide that teaches you Advance Architecture on AWS and helps you prepare for the AWS Certified Solution Architect exam.

Schedules
September 26, 2023
October 12, 2023
October 25, 2023
November 8, 2023
November 15, 2023
December 6, 2023
December 18, 2023

AWS-ARC: Architecting on AWS Training
3 Days │ $1999

Architecting on AWS Training is designed to introduce professionals to the basics of developing IT infrastructure on the AWS platform.

Schedules
October 4, 2023
October 11, 2023
October 17, 2023
October 25, 2023
November 1, 2023
November 8, 2023

December 6, 2023
December 13, 2023
December 18, 2023

Migrating to AWS Training 3 Days │ $1999

Migrating to AWS Training contains migration strategies with an in-depth explanation of each level of the migration process.

Schedules
December 6, 2023
June 4, 2024

AWS-OPS: Systems Operations on AWS Training 3 Days │ $1999

System Operations on AWS Training is created to educate people on configuring, managing, and deploying operations on the AWS platform.

AWS-DEV: Developing on AWS Training 3 Days │ $1999

In this technical course, you will discover the leading procedures to interact with AWS with the help of code and talk about critical concepts, troubleshooting tips, and best practices.

Big Data on AWS Training 3 Days │ $1999

Big Data on AWS Training is a comprehensive course that teaches you about cloud-based Big Data solutions, including Amazon Redshift, Amazon EMR, Amazon Kinesis, and the remaining AWS Big Data platform.

Data Warehousing on AWS Training 3 Days │ $1999

Data Warehousing on AWS Training contains in-depth knowledge regarding strategies. Concepts, and leading practices required to design a cloud-based data warehousing solution with the help of Amazon Redshift.

DevOps Engineering on AWS Training 3 Days │ $1999

DevOps Engineering on AWS Training is developed to help you utilize the combination of DevOps practices, cultural philosophies, and tools to boost your organization's ability to build, develop, and maintain services and applications at high velocity on AWS.

Schedules
October 4, 2023

October 18, 2023
November 1, 2023
November 8, 2023
November 20, 2023
December 6, 2023
December 19, 2023

Security Engineering on AWS Training 3 Days │ $2095

This technical course's main motive is to educate people about the security practices that AWS suggests for improving the protection of your systems and data in the cloud.

Schedules
September 25, 2023
October 16, 2023
November 20, 2023
November 27, 2023
December 4, 2023

AWS-CPE: AWS Cloud Practitioner Essentials Training 1 Day │ $599

AWS Cloud Practitioner Essentials Training is loaded with in-depth information on AWS Cloud, free of specific technical roles.

Schedules
October 6, 2023
October 13, 2023
October 20, 2023
November 3, 2023
December 4, 2023
December 12, 2023

AWS Security Essentials Training 1 Day │ $599

AWS Security Essentials Training makes professionals familiar with the basic Cloud security concepts, including data encryption methods, AWS access control, and how network access to your AWS framework can be protected.

Schedules
November 3, 2023

Architecting on AWS with VMware Cloud Fast Track Training
5 Days | $4195

Architecting on AWS with VMware Cloud Fast Track Training contains an in-depth explanation of AWS capabilities with Architecting on AWS and then including VMware Cloud on AWS.

The Machine Learning Pipeline on AWS Training
4 Days | $2499

The Machine Learning Pipeline on AWS Training demonstrates the methodologies to utilize the machine learning pipeline to rectify real business issues in a project-based learning environment.

Schedules
October 17, 2023
November 13, 2023
November 28, 2023
December 18, 2023

Planning and Designing Databases on AWS Training
3 Days | $1899

The Machine Learning Pipeline on AWS Training demonstrates the methodologies to utilize the machine learning pipeline to rectify real business issues in a project-based learning environment.

Schedules
October 23, 2023
November 14, 2023
November 20, 2023
December 4, 2023
December 12, 2023

CheckPoint

CCSA Check Point Certified Security Administrator Training
3 Days | $2495

CCSA R80.20 Check Point Cyber Security Administrator Training aims at developing the fundamental skills to understand and analyze the essential concepts for the configuration of Check Point Security Gateway and Management Software Blades.

Schedules
September 25, 2023
October 9, 2023
October 30, 2023
November 13, 2023
November 27, 2023
December 11, 2023

CCSA+CCSE Check Point Certified Security Administrator and Expert Boot Camp Training
5 Days | $4795

This special CCSA and CCSE bundle covering Check Point Certified Security Administrator and Security Expert content (R80.40) validate and enhances your skills to manage Check Point advanced security management systems and to administer IT security fundamental tasks.

Schedules
September 25, 2023
October 9, 2023
October 30, 2023
November 13, 2023
November 27, 2023
December 11, 2023

CCSE Check Point Certified Security Expert Training
3 Days | $2495

CCSE R80.20 Check Point Cyber Security Engineering Training focuses on preparing the aspirants for CCSA and CCSE exams and certifications. Professionals with fundamental know-how on Check Point products can opt for an Instructor-led training course.

Schedules
September 27, 2023
October 11, 2023
November 1, 2023
November 15, 2023
November 29, 2023
December 13, 2023

Call to register: 1-800-961-0337

CCAS Check Point Certified Automation Specialist Training
2 Days | $1795

CCAS Check Point Certified Automation Specialist Training course provides you with extensive learning of automation and Checkpoints Management API architecture.

Schedules
November 20, 2023

CCES Check Point Certified Endpoint Specialist Training
2 Days | $1795

CCES Check Point Certified Endpoint Specialist Training aims to offer a proficient live online training program for tech-based professionals.

Schedules
December 18, 2023

CCTA Check Point Troubleshooting Administration Training
2 Days | $1795

CCTA Check Point Troubleshooting Administration Training course helps analyze the concepts and skills essential for troubleshooting technical issues.

Schedules
October 16, 2023

CCVS Check Point Certified VSX Specialist Training
2 Days | $1795

This is a 2-day Specialist course which provides a comprehensive understanding of the Check Point Virtual Security Extension (VSX) solution and describes how to deploy it within the corporate network environment.

Schedules
September 21, 2023
December 6, 2023

CCCS Check Point Certified Cloud Specialist - Administrator Training
2 Days | $1795

This 2-day Specialist course which provides an understanding of the basic concepts and skills necessary to configure and deploy Check Point CloudGuard IaaS products in public cloud platforms such as Microsoft Azure, Amazon Web Services (AWS), and Google Cloud Platform.

Schedules
December 20, 2023

CompTIA

CompTIA Security+ Training
5 Days | $2195

CompTIA Security+ Training allows aspirants to gain valuable information for the implementation and maintenance of information security via a vendor-neutral format.

Schedules
September 25, 2023
October 2, 2023
October 16, 2023
October 23, 2023
November 6, 2023
November 13, 2023
November 27, 2023
December 4, 2023
December 11, 2023
December 18, 2023

CompTIA Network+ Training
5 Days | $2195

CompTIA Network+ Training technical course is valid globally to impart fundamentals to foundation-level IT network practitioners. This course efficiently develops user-level knowledge and expertise to work on personal computer operating systems and networks.

Schedules
September 18, 2023
September 25, 2023
October 2, 2023
October 23, 2023
November 13, 2023
November 27, 2023
December 4, 2023
December 18, 2023

CompTIA A+ Training
5 Days | $2195

CompTIA A+ (Exam 220-1001 & 220-1002) Training refers to imparting you the fundamental skills that are mandatory for IT technicians to achieve work goals.

Schedules
September 18, 2023
October 9, 2023
October 23, 2023
November 6, 2023
November 27, 2023
December 4, 2023
December 18, 2023

CompTIA IT Fundamentals (ITF+) Training
5 Days │ $2195

CompTIA IT Fundamentals (ITF+) Training allows aspirants to develop a broader IT foundation and get certifications in specific fields.

Schedules
October 30, 2023
November 20, 2023
November 27, 2023
December 11, 2023
December 18, 2023

CompTIA Cloud+ Training
5 Days │ $2195

The intention of this course is the development of cloud computing skills for professionals to manage IT workloads and ensure complete integration of products and services from different sectors.

Schedules
September 25, 2023
November 27, 2023

CompTIA Server+ Training
5 Days │ $2195

CompTIA Server+ Certification Prep (Exam SK0-005) Training course helps get information on computer and hardware support and handling administration for any network server.

Schedules
November 6, 2023

CompTIA Linux+ Training
5 Days │ $2195

CompTIA Linux+ Certification Prep (Exam XK0-004) Training course defines a proper framework to work with Linux for junior administrators and software developers.

Schedules
October 2, 2023

CompTIA Advanced Security Practitioner (CASP+) Training
5 Days │ $2895

CompTIA Advanced Security Practitioner (CASP+) Certification Prep (Exam CAS-004) Training helps you gain details on information security to take your career to the next level.

Schedules
September 25, 2023
October 23, 2023
December 11, 2023

CompTIA Cybersecurity Analyst (CySA+) Training
5 Days │ $2195

Microtek Learning's proactive course model helps professionals gain knowledge of cybersecurity analysts' duties who can efficiently monitor and detect security incidents through information systems to respond with immediate effect.

Schedules
October 16, 2023
October 23, 2023
November 13, 2023
December 18, 2023

CompTIA PenTest+ Training
5 Days │ $2195

CompTIA PenTest+ Certification Prep (Exam PT0-002) Training course is an excellent option for the cybersecurity professionals who need to perform tasks of identifying, exploiting, reporting, and managing the vulnerabilities for any network.

Schedules
September 18, 2023
November 13, 2023

CompTIA Project+ Training
5 Days │ $2195

CompTIA Project+ Certification Prep Training module explores in-depth project management life cycle that includes planning, control, execution, initiation, and closure of any project.

Schedules
December 11, 2023

Call to register: 1-800-961-0337

CompTIA Cloud Essentials+ Training

3 Days | $1495

CompTIA Cloud Essentials+ Certification Prep Training course offers an instructor-led training experience to the aspirants who wish to procure certification for the relevant course.

Citrix

CWS-215 Citrix Virtual Apps and Desktops 7 Deployment and Administration Training

5 Days | $4495

CWS-215 Citrix Virtual Apps and Desktops 7 Administration On-Premises and Citrix Cloud Training provide professionals with the foundational understanding of Citrix Virtual Applications and Desktop 7.

Schedules
September 25, 2023
October 9, 2023
October 23, 2023
November 6, 2023
November 27, 2023
December 11, 2023
December 18, 2023

CWS-415 Citrix Virtual Apps and Desktops 7 Architect Design Solutions Training

5 Days | $4495

CWS-415 Citrix Virtual Apps and Desktops 7 Assessment, Design, and Advanced Configuration Training is aimed to educate professionals about the design principles required for building Citrix Virtual Apps and Desktop virtualization solutions.

Schedules
September 18, 2023
October 16, 2023
November 13, 2023
December 4, 2023

CWS-250 Citrix DaaS Deployment and Administration Training

3 Days | $2495

In this course, you will learn how to create a new Citrix DaaS deployment and how to migrate to Citrix DaaS from an on-premises Citrix Virtual Apps and Desktops Site.

Schedules
October 2, 2023
October 30, 2023
November 27, 2023
December 12, 2023

CWS-251 Implement Citrix DaaS on Microsoft Azure Training

2 Days | $1585

Gain the knowledge necessary to organize your virtual machine design and machine catalog based on Microsoft's public cloud, and practice actually deploying those machines using Machine Creation Services.

Schedules
October 5, 2023
November 2, 2023
November 30, 2023
December 21, 2023

CWS-252 Citrix DaaS Deployment and Administration on Microsoft Azure Training

5 Days | $4495

In this course, you will learn how to create a brand new Citrix DaaS deployment on Citrix Cloud by utilizing Microsoft Azure as your resource host.

Schedules
October 2, 2023
October 30, 2023
November 27, 2023
December 18, 2023

CNS-221 Citrix (NetScaler) Gateway 12.x Training

2 Days | $2000

This course enables the professionals to learn and arrange NetScaler Gateway with Unified Gateway highlights. It extends an integrated knowledge of the execution of Gateway parts with Netscaler Gateway.

CNS-220 Citrix (NetScaler) ADC 12.x Essentials and Traffic Management Training 5 Days│$4849

CNS-220 Citrix (NetScaler) ADC 12.X Essentials and Traffic Management course is a blended-live five-day interactive class that imparts knowledge on cutting edge system administration and NetScaler ideas for setups.

CNS-219 Citrix (NetScaler) ADC 12.x Traffic Management Training   2 Days │ $2000

CNS-219 Citrix (NetScaler) ADC 12.X Traffic Management technical training intends to focus at details on past Netscaler encounters and conveying NetScaler situations.

CNS-318 Citrix (NetScaler) ADC 12.x Advanced Concepts - Secure Web Applications Training
3 Days │ $2795

CNS-318 Citrix (NetScaler) ADC 12.X Advanced Concepts - Secure Web Applications technical training is apt for the aspirants working with NetScaler application and Firewall in Citrix Netscaler conditions.

Schedules
September 25, 2023
October 30, 2023
December 4, 2023

CNS-319 Citrix (NetScaler) ADC 12.x Advanced Concepts - Management and Optimization Training   2 Days │ $1795

This training deals with the NetScaler Management and Analytics System (MAS) to gain control over the Citrix Netscaler condition or advanced Netscaler application and conveyance activity.

Schedules
September 28, 2023
November 2, 2023
December 7, 2023

CNS-320 Citrix (NetScaler) ADC 12.x Advanced Concepts - Security, Management, and Optimization Training   5 Days │ $4795

CNS-320 Citrix (NetScaler) ADC 12.X Advanced Concepts - Security, Management, And Optimization Training program is appropriate for the students who wish to send and oversee Citrix NetScaler Application Management for securing the application access in any Citrix Netscaler conditions.

Schedules
September 25, 2023
October 30, 2023
December 4, 2023

CNS-420 Citrix (NetScaler) Networking Assessment, Design, and Advanced Configuration Training   5 Days │ $4795

CNS-420 Citrix (NetScaler) Networking Assessment, Design, and Advanced Configuration Training exposes professionals to networking and NetScaler configurations and concepts.

Schedules
October 2, 2023
December 11, 2023

CNS-231 Deploy and Manage Citrix SD-WAN 11.x Training   3 Days │ $2795

CNS-231 Deploy and Manage Citrix SD-WAN 11.x Training teaches professionals how to configure and manage SD-WAN, including deployment options, SD-WAN overall structure, provisioning, and the appropriate ways to utilize Citrix SD-WAN Orchestrator in your environment.

CNS-224: Implement Citrix ADC 13.x with Traffic Management Training   2 Days │ $1795

CNS-224: Implement Citrix ADC 13.x with Traffic Management training is developed to help professionals gain the skills and knowledge required to manage and configure Citrix ADC Traffic Management features, which includes Traffic Optimization, Content Switching, and Global Server Load Balancing.

Schedules
October 5, 2023
October 26, 2023
November 16, 2023
December 7, 2023
December 21, 2023

CNS-225: Deploy and Manage Citrix ADC 13.x with Traffic Management Training
5 Days │ $4795

CNS-225: Deploy and Manage Citrix ADC 13.x with Traffic Management training provides comprehensive knowledge and an in-depth explanation of Citrix ADC.

Schedules
October 2, 2023
October 23, 2023
November 13, 2023
December 4, 2023
December 18, 2023

CNS-226 Implement Citrix ADC 13.x with Citrix Gateway Training — 2 Days │ $1795

Learn the skills required to configure and manage Citrix Gateway features. At the end of the course, students will be able to configure their Citrix Gateway environments to address remote access requirements for Apps and Desktops.

Schedules
September 21, 2023
October 12, 2023
November 2, 2023
November 30, 2023
December 14, 2023

CNS-227 Deploy and Manage Citrix ADC 13.x with Citrix Gateway Training — 5 Days │ $4795

Expand your Citrix networking knowledge and skills by enrolling in this five-day course. It covers Citrix ADC essentials, including secure load balancing, high availability and operations management, and also focuses on Citrix Gateway.

Schedules
September 18, 2023
October 9, 2023
October 30, 2023
November 27, 2023
December 11, 2023

CWS-316 Citrix Provisioning 7 Administration Training — 2 Days │ $1795

CWS-316 Citrix Provisioning 7 Administration Training is aimed at professionals to develop a better understanding of Provisioning Services architecture and communication.

CSF-201 Citrix (ShareFile) Content Collaboration Enterprise Essentials Training — 2 Days │ $1795

CSF-201 Citrix (ShareFile) Content Collaboration Enterprise Essentials Training provides comprehensive knowledge regarding enterprise file sharing and synchronization with Citrix Content Collaboration.

CSF-202 Deploy and Manage Citrix Content Collaboration Training — 2 Days │ $1795

In this course, you'll learn about how to use Citrix Content Collaboration to share, sync, and secure content for your organization.

CXD-105 Citrix Virtual Apps and Desktops 7.x Help Desk Support Training — 2 Days │ $1795

CXD-105 Citrix Virtual Apps and Desktops 7.X Help Desk Support training course helps the students to use Citrix Director to develop an interface with user sessions to solve issues or escalate the same to the administration team.

CXD-250 Moving to the Citrix Virtual Apps and Desktops Service on Citrix Cloud Training — 3 Days │ $2999

With this technical training, students can get a better understanding of the navigation of Citrix Virtual Apps and Desktop service to the Citrix cloud. This guide takes you through the architecture, management, communication, configuration, and installation of Citrix Cloud and the cloud connector.

CXD-251 Citrix Virtual Apps and Desktops Service on Microsoft Azure Training — 2 Days │ $2000

This technical training program provides learning on the deployment and management of Citrix Virtual Apps and desktops within Microsoft Azure. Students could derive the machine catalog based on Microsoft's public cloud and deploy them with relevant creation services.

CXD-252 Moving to the Citrix Virtual Apps and Desktops Service on Citrix Cloud with Microsoft Azure Training — 5 Days │ $5000

CXD-252 Moving to the Citrix Virtual Apps and Desktops Service on Citrix Cloud with Microsoft Azure technical training helps impart relevant skill sets to the IT professionals handling Citrix Cloud and Microsoft Azure.

CWS-215 Citrix Virtual Apps and Desktops 7 Deployment and Administration Training

5 Days │ **$4495**

CWS-215 Citrix Virtual Apps and Desktops 7 Administration On-Premises and Citrix Cloud Training provide professionals with the foundational understanding of Citrix Virtual Applications and Desktop 7.

Schedules
September 25, 2023
October 9, 2023
October 23, 2023
November 6, 2023
November 27, 2023
December 11, 2023
December 18, 2023

CMB-318 Citrix Virtual Apps and Desktops 7, App Layering and WEM Administration (Fast Track) Training

5 Days │ **$5795**

CMB-318 Citrix Virtual Apps and Desktops 7, App Layering and WEM Administration (Fast Track) Training helps IT professionals learn more about configuring policies, basic security features, printing along with other advanced topics, which includes App layering, and Windows Environment Management.

Schedules
October 9, 2023
November 13, 2023

CWS-206 Citrix Workspace Microapps Essentials Training

3 Days │ **$2795**

CWS-206 Citrix Workspace Microapps Essentials Training introduces professionals to Citrix Workspace with Microapps. It is packed with in-depth information on Citrix Microapps, security considerations, web services, and API troubleshooting to guide you through launching microapps in your environment without any complications.

CWS-313 Citrix Virtual Apps and Desktops 7 Advanced Deployment, Troubleshooting, Security and Administration Training

3 Days │ **$2795**

CWS-313 Citrix Virtual Apps and Desktops 7 Advanced Deployment, Troubleshooting, Security, and Administration Training is specially developed to

help professionals implement the latest administration concepts such as disaster recovery, scalability, backups, and redundancy for a Citrix Virtual Application and Desktop 7 site.

Schedules
September 18, 2023
October 16, 2023
November 16, 2023
December 4, 2023
December 18, 2023

CWS-314 Citrix App Layering and WEM Administration Training

2 Days │ **$1795**

CWS-314 Citrix App Layering and WEM Administration Training is a perfect course for people who want to learn the right way to implement app layering skills.

CWS-315 Citrix Virtual Apps and Desktops 7 Advanced Administration Training

5 Days │ **$4795**

CWS-315 Citrix Virtual Apps and Desktops 7 Advanced Administration Training teaches you to improve virtual resource consumption and the end-user environment by efficiently configuring workspace environment management.

CWS-415 Citrix Virtual Apps and Desktops 7 Architect Design Solutions Training

5 Days │ **$4495**

CWS-415 Citrix Virtual Apps and Desktops 7 Assessment, Design, and Advanced Configuration Training is aimed to educate professionals about the design principles required for building Citrix Virtual Apps and Desktop virtualization solutions.

Schedules
September 18, 2023
October 16, 2023
November 13, 2023
December 4, 2023

CWS-115 Citrix Virtual Apps and Desktops 7 Help Desk Support Training

2 Days │ **$1795**

CWS-115 Citrix Virtual Apps and Desktops 7 Help Desk Support Training is designed to educate professionals about the procedures to support end-users linking to Citrix Virtual Apps and Desktops through Citrix Workspace App.

Call to register: 1-800-961-0337

Schedules
November 20, 2023
December 18, 2023

CWS-220 Citrix Workspace Environment Management Deployment and Administration Training   2 Days │ $1564

This course builds on the fundamental implementation and administration abilities by introducing scalability, redundancy, and security setups. It is intended for seasoned IT workers.

Schedules
September 21, 2023
October 21, 2023
November 11, 2023
December 9, 2023

CEM-205 Manage Citrix Endpoint Management Training   5 Days │ $2795

This course builds on the fundamental implementation and administration abilities by introducing scalability, redundancy, and security setups. It is intended for seasoned IT workers.

CXM-303 Deploying Enterprise Mobility Solutions with Citrix Endpoint Management Training   5 Days │ $5000

This course hits a dig in the process of standing up with a highly available Endpoint Management, deployment, and conducting initial configurations.

CXS-301 Citrix XenServer 7.1 LTSR Administration Training   5 Days │ $5000

CXS-301 Citrix XenServer 7.1 LTSR Administration Training is specially developed to help professionals learn to install, secure, manage, troubleshoot, and size an enterprise XenServer implementation.

CNS-230 Deploy and Manage Citrix SD-WAN Essentials Training   3 Days │ $3000

CNS-230 Deploy and Manage Citrix SD-WAN Essentials Training introduces professionals to the different SD-WAN deployment and implementation modes. It also teaches them the right way to select one that suits their organization.

NetApp

Basic NetApp Configuration and Administration (BNCA) Training   2 Days │ $1695

Leverage Basic NetApp Configuration and Administration Training (BNCA) course and get in-depth knowledge and a technical overview of the essential features and advantages of NetApp ONTAP 9 data management software.

Schedules
November 9, 2023
December 4, 2023

ONTAP Cluster Administration (ONTAP9ADM) Training   3 Days │ $2595

The ONTAP Cluster Administration (ONTAP 9.6) (ONTAP9ADM) Training is an instructor-led training course that gives hands-on experience and lecture on the basic administration jobs of an ONTAP 9.6 cluster.

Schedules
November 27, 2023
December 4, 2023

ONTAP Cluster Administration and Data Protection Bundle (CDOTDP9) Training   5 Days │ $4500

This ONTAP Cluster Administration and Data Protection Bundle (CDOTDP9) Training course is a five days training course, wherein 3 days are committed to ONTAP Cluster Administration (ONTAP9ADM), while, the remaining 2 days are committed to ONTAP Data Protection Administration (DATAPROT9).

ONTAP Troubleshooting (CATSP) Training
4 Days │ $3600

The ONTAP Troubleshooting (CATSP) Training is a Partner-only course. Through this course, you will improve your expertise as a NetApp® ONTAP® software engineer by learning how to troubleshoot ONTAP environs.

StorageGRID Administration (SGWSADM) Training
3 Days │ $2595

This StorageGRID Administration (SGWSADM) Training course includes the fundamentals of StorageGRID administration. In this course, you will learn how to use the Grid Manager for inspecting and handling a StorageGRID Webscale 11.1 system.

Administration of Active IQ Unified Manager ONTAP (AOCMCDOT) Training **2 Days │ $1695**

The course at Microtek Learning will allow you will learn how the performance management characteristics of Unified Manager present a unified approach to storage management & how that approach decreases complexity.

Element Software Administration (SFSA) Training
2 Days │ $1695

This Element Software Administration training is a 2-day instructor-led training. This course helps you understand the basic administration of a NetApp Element software cluster in a SolidFire system.

ONTAP Data Protection Administration (ONTAP 9.6) (DATAPROT9) Training **2 Days │ $1695**

The ONTAP Data Protection Administration (ONTAP 9.6) (DATAPROT9) Training course was mainly designed to educate about the core techniques and concepts to protect data in NetApp ONTAP systems.

Schedules
November 30, 2023

ONTAP Data Protection Administration (ONTAP 9.6) (DATAPROT9) Training **2 Days │ $1695**

The Protecting SQL Server (PROTSQL) Training course is mainly for NetApp Customers, NetApp and NetApp Partner Professional Services, and Systems Engineers.

SnapCenter Administration (SCADMIN) Training
3 Days │ $2595

SnapCenter Administration Training (SCADMIN) course includes the SnapCenter Software 4.0 release deployment. In this course, you will learn comprehensive way to install, monitor, and manage SnapCenter Server & SnapCenter Plug-ins.

Protecting VMware vSphere (PROVMVSP) Training
1 Day │ $900

The Protecting VMware vSphere (PROVMVSP) Training course allows you to learn about the use and deployment of the SnapCenter Plug-in for VMware vSphere.

ONTAP Compliance Solution Administration (OCSA) Training **1 Day │ $900**

The ONTAP Security and Compliance Administration (OCSA) Training course explains the functionality and architecture of the integrated data protection security and compliance traits and advantages in ONTAP 9 data-management software, counting SnapLock software, encryption technologies, and core management features

ONTAP MetroCluster Installation (MCCIIW) Training
2 Days │ $1695

MetroCluster software is an exclusive highly-accessible and disaster-recovery solution. In this ONTAP MetroCluster Installation (MCCIIW) Training course, you will understand how to cable and set up a MetroCluster environment.

Configuring and Monitoring NetApp E-Series and EF-Series Storage Systems (CMESERIES) Training **4 Days │ $3495**

Pursue Configuring and Monitoring NetApp E-Series and EF-Series Storage Systems (CMESERIES) Training course; you will learn how to propose configurations based on a pre-deployment evaluation for a new NetApp EF-Series or E-Series storage system.

Data ONTAP SAN Implementation (SANIMP) Training
3 Days │ $2700

Leveraging this Data ONTAP SAN Implementation (SANIMP) Training workshop course will allow you to learn the ways to connect Linux® and Windows® hosts to NetApp® SANs via iSCSI and FC protocols.

OnCommand Insight: Business Insights (OCIBI) Training
2 Days │ $1695

The training course concentrates majorly on the reporting traits of the OnCommand Insight Data Warehouse and OnCommand Insight.

OnCommand Insight: Intelligent Operation (OCIIO) Training   2 Days │ $1695

The OnCommand Insight: Intelligent Operation (OCIIO) Training course allows you to get insights with some significant characteristics of OnCommand Insight relevant to the day-to-day management, monitoring, and trouble-shooting of data infrastructures.

ONTAP Performance Analysis (PERFCDOT) Training   3 Days │ $2595

Leverage the ONTAP Performance Analysis (PERFCDOT) Training course and grab skills and knowledge that you will require to gather and analyze system performance information from NetApp storage systems that run clustered Data ONTAP 9.

OnCommand Insight: Implementation (OCIIMP) Training   2 Days │ $1695

OnCommand Insight: Implementation (OCIIMP) Training course is a comprehensively lab-based and lecture-based course that allows you to learn how about the installation and configuration of OnCommand Insight.

Managing NAS and Performance on Clustered Data ONTAP (NASPAD) Training   5 Days │ $4395

Managing NAS and Performance on Clustered Data ONTAP (NASPAD) Training course at Microtek Learning is a blend of SMB (CIFS), ONTAP NFS Administration (NFSAD), and performance analysis courses into a solitary, in-depth one-week course.

ONTAP NFS Administration (NFSAD) Training   1 Day │ $900

This ONTAP NFS Administration training course reviews NFS and in a descriptive way, varied NFS versions and the characteristics of ONTAP 9 software supporting the NFS protocol.

ONTAP SMB Administration (CIFSAD) Training   1 Day │ $900

ONTAP SMB Administration (CIFSAD) Training is a 1-day training course that broadens the CIFS info present in the ONTAP Cluster Administration course.

Implementing VMware vSphere on ONTAP (IMPVMWAR) Training   2 Days │ $1695

In the specialized Implementing VMware vSphere on ONTAP (IMPVMWAR) Training course you will get to know about the way to employ NetApp's Virtual Storage Console by setting up, maintaining, and securing a VMware virtual infrastructure in both NAS and SAN environs utilizing ONTAP Data Management Software.

VMware vSphere on NetApp (VVNA) Training   5 Days │ $4595

In this VMware vSphere on NetApp (VVNA) Training, you will learn varied techniques to execute VMware vSphere 7.0u3 on NetApp ONTAP 9.11.

Schedules
October 16, 2023
December 4, 2023

Implementing Microsoft Hyper-V on Data ONTAP (IMPMSHV) Training   2 Days │ $1695

Implementing Microsoft Hyper-V on Data ONTAP (IMPMSHV) Training course allows you to learn how to execute MS Hyper-V virtualization solutions on NetApp® Data ONTAP® 7-Mode and clustered Data ONTAP.

Implementing and Administering the FlexPod Solution (FPIMPADM) Training   3 Days │ $2595

Implementing and Administering the FlexPod Solution (FPIMPADM) Training provide knowledge to the system and network engineers and administrators for setting up, configure, and administer the FlexPod architecture

Designing the FlexPod Solution (FPDESIGN) Training   2 Days │ $1695

The Designing the FlexPod Solution (FPDESIGN) Training course demonstrates you how to access the FlexPod solution design process concerning the contemporary data center obstacles.

Integrating Hybrid Clouds with NetApp Data Fabric (INTHCDF) Training   3 Days │ $2695

Through the Integrating Hybrid Clouds with NetApp Data Fabric (INTHCDF) Training course, you will learn how to execute a hybrid cloud solution making use of the NetApp Data Fabric.

Schedules
November 27, 2023

Integrating Hybrid Clouds with Microsoft Azure (UNCMMAZ) Training   3 Days │ $2695

Learn to implement a hybrid cloud solution with Microsoft Azure by using NetApp® Cloud Volumes ONTAP®. Connect an Azure Virtual Network (VNet) and an on-premises data center to unify your infrastructure.

Veeam

VASCM-11 Veeam Availability Suite v11: Configuration and Management Training
3 Days │ $2750

The Veeam® Availability Suite™ v11: Configuration and Management training course is a three-day, technical deep-dive focused on teaching IT professionals the skills to configure, manage, and support a Veeam Availability Suite v11 solution.

Schedules
October 9, 2023
October 30, 2023
November 13, 2023
November 27, 2023
December 18, 2023

VBR-V11-AD Veeam Backup & Replication V11: Architecture and Design Training
2 Days │ $2795

The two-day, Veeam® Backup & Replication™ v11: Architecture and Design training course, is focused on teaching IT professionals how to effectively architect a Veeam solution through attaining technical excellence following the Veeam Architecture Methodology used by Veeam's own Solution Architects.

VMCE-12 Veeam Backup & Replication v12: Configure, Manage and Recover
2 Days │ $2795

The Veeam® Backup & Replication™ v12: Configure, Manage and Recover training course is a three-day technical course focused on teaching IT professionals the skills to configure, manage and support a Veeam Backup & Replication v12 solution.

Schedules
October 2, 2023
October 9, 2023
October 30, 2023
November 13, 2023
November 27, 2023
December 18, 2023

Hadoop

Introduction to Hadoop Administration Training
3 Days │ $2195

Introduction to Hadoop Administration Training is designed to help professionals develop a conceptual understanding of all the important steps to maintain and operate a Hadoop cluster.

Palo Alto

Firewall Essentials: Configuration and Management (EDU-210) Training
5 Days │ $4595

This Palo Alto Networks Firewall 10.0 Essentials: Configuration and Management (EDU-210) training course is a 5-day Instructor-Led Training.

Schedules
October 2, 2023
November 6, 2023
December 4, 2023

Firewall: Optimizing Firewall Threat Prevention (EDU-214) Training
4 Days │ $3595

This Firewall: Optimizing Firewall Threat Prevention (EDU-214) Training is basically a 4-day Instructor-Led Training that accentuates the PAN-OS threat prevention capabilities.

Firewall: Troubleshooting (EDU-330) Training
3 Days │ $2595

The Palo Alto Networks Firewall 11.0 Troubleshooting course is three days of instructor-led training that will help you:

Schedules
October 11, 2023
November 20, 2023

Panorama: Managing Firewalls at Scale (EDU-220) Training
2 Days │ $1595

This Palo Alto Networks Panorama 10.0 : Managing Firewalls at Scale (EDU-220) is a two day instructor-led training that will support you:

Schedules
November 13, 2023
December 11, 2023

Call to register: 1-800-961-0337

Prisma Access SASE Security: Design and Operation (EDU-318) Training
4 Days │ $3595

This Prisma Access SASE Security: Design and Operation (EDU-318) course elaborates about Prisma Access Secure Access Service Edge (SASE).

Schedules
October 2, 2023
October 30, 2023
December 18, 2023

Prisma SD-WAN: Design and Operation (EDU-238) Training
5 Days │ $3595

Learn about the next-generation Prisma SD-WAN solution, the advantages it has over traditional WAN and SD-WAN deployments, and how to set it up, manage it, and fix problems in EDU-238: Prisma SD-WAN Design and Operation.

Schedules
September 25, 2023
October 16, 2023
November 27, 2023

Cortex XDR: Prevention, Analysis, and Response (EDU-260) Training
3 Days │ $2595

The course begins with an introduction to the Cortex XDR components and then proceeds to the Cortex XDR management dashboard, where you will learn how to configure security profiles and rules, as well as install agents on your endpoints.

Schedules
October 16, 2023
November 20, 2023
December 18, 2023

Cortex XDR: Investigation and Response (EDU-262) Training
2 Days │ $1695

This instructor-led training shows you how to use the Cortex XDR management console's Incidents pages to look into assaults. It defines causality chains, alerts versus logs, the Analytics Engine's detectors, log stitching, and the ideas of analytics and causation.

Schedules
September 21, 2023
October 19, 2023

November 16, 2023
December 21, 2023

VMware

VMware vSphere: Install, Configure, Manage [V7] Training
5 Days │ $3999

VMware vSphere: Install, Configure, Manage [V7] Training is aimed at professionals to help them gain knowledge regarding installing, managing, and configuring VMware vSphere® 7.

Schedules
October 9, 2023
October 30, 2023
November 13, 2023
November 27, 2023
December 4, 2023
December 18, 2023

VMware vSphere: Fast Track [V7] Training
5 Days │ $5999

This technical course teaches you to install and configure content and enables you to gain the advanced skills required to maintain and manage a highly scalable digital framework.

VMware vSphere: Optimize and Scale [V7] Training
5 Days │ $4399

Through a mix of lecture and hands-on labs, you configure and optimize the VMware vSphere® 7 features that build a foundation for a truly scalable infrastructure, and you discuss when and where these features have the greatest effect.

Schedules
September 25, 2023
October 30, 2023
November 13, 2023
December 18, 2023

VMware vSphere: Optimize and Scale plus Troubleshooting Fast Track [V7] Training
5 Days │ $5999

The VMware vSphere v7 training module comprises of VMware administration that offers a complete walkthrough of the VMware vSphere platform, with its optimization and scaling strategies.

Schedules
September 25, 2023
October 23, 2023
December 4, 2023

VMware vSphere: What's New [V8] Training
2 Days │ $1499

In this two-day course, you explore the new features and enhancements following VMware vCenter Server 8.0 and VMware ESXi 8.0.

Schedules
September 21, 2023
October 5, 2023
October 19, 2023
November 16, 2023
December 14, 2023

VMware vSphere: Troubleshooting [V7] Training
5 Days │ $4375

VMware vSphere dedicated, and specified troubleshooting workshop covers the skills and knowledge to troubleshoot the VMware quickly and accurately.

VMware vSphere: Design [V7] Training
3 Days │ $2499

The training module in VMware vSphere Design Workshop is composed to be pure in understanding and advanced in nature. The basics guide the Design environment on the virtual infrastructure.

VMware vSphere: Install, Configure, Manage [V8] Training
5 Days │ $3999

This five-day course features intensive hands-on training that focuses on installing, configuring, and managing VMware vSphere 8, which includes VMware ESXi 8 and VMware vCenter 8.

Schedules
September 25, 2023
October 9, 2023
October 23, 2023
November 6, 2023
November 27, 2023
December 18, 2023

VMware vSphere: Troubleshooting [V8] Training
5 Days │ $4225

This five-day training course provides you with the knowledge, skills, and abilities to achieve competence in troubleshooting the VMware vSphere® 8 environment.

Schedules
October 2, 2023
October 16, 2023
November 6, 2023
November 27, 2023

VMware vSphere: Fast Track [V8] Training
5 Days │ $5999

Building on the installation and configuration content from our best-selling course, you will also develop the advanced skills needed to manage and maintain a highly available and scalable virtual infrastructure.

Schedules
October 16, 2023
October 30, 2023
November 13, 2023
November 27, 2023
December 18, 2023

VMware vSphere: Operate Scale and Secure [V8] Training
5 Days │ $4425

You will learn advanced techniques for setting up and managing a highly available and scalable virtual infrastructure throughout this five-day course.

Schedules
October 16, 2023
October 30, 2023
November 13, 2023
December 4, 2023
December 18, 2023

VMware vRealize Automation: Install, Configure, Manage [8.3] Training
5 Days │ $3999

VMware vRealize Automation: Install, Configure, Manage Training teaches you to use vRealize Automation to automate the transfer of virtual machines, personalize IT services, and apply it all over different hybrid cloud environments and data centers.

Call to register: 1-800-961-0337

VMware vRealize Operations: Install, Configure, Manage [V8.6] Training
5 Days │ $3999

VMware vRealize Operations: Install, Configure, Manage Training covers in-depth information regarding the deployment, management, customization, and overall structure of VMware vRealize.

Schedules
October 9, 2023
December 4, 2023

VMware vRealize Network Insight: Install Configure Manage [V6.1] Training
2 Days │ $1595

You will learn how to deploy and manage VMware vRealize® Network InsightTM to ensure an optimised, highly available, and secure infrastructure for your applications during this two-day hands-on training.

VMware vRealize Automation SaltStack Config: Deploy & Manage [V8.4] Training
3 Days │ $2595

You will receive the advanced knowledge, abilities, and resources necessary to become proficient in setting up and using VMware vRealize® Automation SaltStack® Config during this three-day hands-on training course.

VMware vRealize Automation: Advanced Features and Troubleshooting [V8.x] Training
3 Days │ $2595

In this course, you delve deeper into using vRealize Automation's advanced features to deploy user systems and connect it to other platforms.

VMware vRealize Lifecycle Manager: Install, Configure, Manage [V8.0] Training
2 Days │ $1595

The installation, configuration, and management of VMware vRealize® Suite Lifecycle ManagerTM, which includes products like VMware vRealize® OperationsTM, VMware vRealize® Log InsightTM, and VMware vRealize® AutomationTM, are the main topics of this two-day course's hands-on instruction.

VMware vRealize Operations for Operators [V8.6] Training
2 Days │ $1595

Users who are in charge of daily management of VMware vRealize OperationsTM should attend this two-day training. With the help of real-world use examples, this course teaches policies, capacity ideas, and workload optimization.

VMware vRealize Automation SaltStack SecOps: Deploy and Manage [V8.6] Training
2 Days │ $1595

Learn everything you need to know to become an expert user of VMware vRealize® Automation SaltStack® SecOps in just two days with the help of this comprehensive training course.

VMware vRealize Automation: Troubleshooting [V8.6] Training
3 Days │ $2595

Learn all you need to know to troubleshoot VMware vRealize® Automation in this intensive three-day training session.

Data Center Automation with vRealize Orchestrator and vSphere PowerCLI Training
5 Days │ $3999

During this five-day course, experienced VMware vSphere® administrators will learn how to take advantage of the powerful automation features that are available to all vSphere users.

Schedules
October 30, 2023
December 4, 2023

VMware Site Recovery Manager: Install, Configure, Manage [V8.2] Training
2 Days │ $1499

The VMware site recovery v8.2 training course covers all the administration level management and recovery modules. A short, concise, to the point and expert teaching to the experts, course.

VMware NSX: Install, Configure, Manage Training
5 Days │ $3999

VMware NSX: Install, Configure, manage Training is aimed at professionals to teach them how to utilize logical redirecting in VMware NSX to virtualize the environment switch.

Schedules
September 25, 2023
October 9, 2023
October 23, 2023
November 6, 2023
November 13, 2023
November 27, 2023
December 11, 2023

VMware NSX-T Data Center: Install, Configure, and Manage [V3.2] Training
5 Days | $3999

The NSX-T Data Center provides a premium level, and dedicated course on the Data Center modules. Learn all the basics, nooks, tricks, and techniques to manage and organize the Data Center.

Schedules
October 16, 2023

VMware Horizon 7: Install, Configure, Manage [V7.10] Training
5 Days | $3999

VMware Horizon training is a comprehensive technical training program that will cover the virtual installation of applications on the virtual desktops.

VMware Horizon 8: Deploy and Manage
5 Days | $3999

VMware Horizon 8: Deploy and Manage training is a five-day combination training of VMware Horizon 8: Skills for Virtual Desktop Management & VMware Horizon 8: Infrastructure Administration.

Schedules
October 9, 2023
October 30, 2023
November 27, 2023
December 11, 2023

VMware vCloud Director: Install, Configure, Manage [V10.4] Training
5 Days | $3999

This five-day course offers thorough instruction on how to install, setup, and administer a VMware Cloud Director system that is located on-site.

VMware vCloud Director: Tenant Operations [V10.x] Training
5 Days | $3999

Learn how to set up and manage VMware vCloud Director® for Service Providers 10.x Tenant Operations in this intensive five-day training course.

VMware Cloud on AWS: Deploy and Manage 2021 Training
4 Days | $3499

This four-day, hands-on training course provides you with the knowledge, skills, and tools for deploying and managing a VMware Cloud™ on AWS infrastructure.

Tableau

Tableau Desktop I: Fundamentals Training
2 Days | $999

This technical course familiarizes professionals with Tableau 10 new features and teaches them how to create advanced-level dashboards and visualizations in Tableau.

Schedules
September 25, 2023
October 9, 2023
October 30, 2023
November 16, 2023
November 27, 2023
December 4, 2023
December 19, 2023

Tableau Desktop II: Intermediate Training
2 Days | $1495

Tableau Desktop Level 2: Intermediate Training contains a detailed overview of the more complex features of Tableau.

Schedules
October 2, 2023
October 23, 2023
November 8, 2023
November 21, 2023
December 11, 2023
December 19, 2023

Tableau Desktop III: Advanced Training
2 Days | $1495

Tableau Desktop Level 3: Advanced Training is for experienced Tableau users who want to gain more knowledge regarding the leading practices for distributing information and insights.

Schedules
September 28, 2023
October 16, 2023
October 26, 2023
November 13, 2023
November 30, 2023

Call to register: 1-800-961-0337

Tableau Desktop I & II: Accelerated Training
3 Days │$2495

This training helps the candidates understand Tableau training who are succeeding in a moving class and choose to take up the new speed of technology.

Schedules
September 25, 2023
October 2, 2023
October 23, 2023
November 13, 2023
December 18, 2023

Tableau Server Administration Training
3 Days │$2495

You will learn the leading practices for administering and installing Tableau Server and the essential information on security, scalability, performance, and governance.

Schedules
October 9, 2023
October 30, 2023
November 13, 2023
December 4, 2023

Tableau Server Architecture Training
2 Days │$1495

The skills and knowledge gained are the best for those who are administering and architecting a complex or large deployment of Tableau Server or a counselor who will be involved in the various deployments of Tableau Server.

Schedules
September 20, 2023
October 18, 2023
November 7, 2023
November 27, 2023
December 12, 2023

Tableau Site Administration Training
2 Days │$1495

Tableau Site Administration training gives you the skills required to operate an efficient and successful Tableau site.

Tableau Advanced Analytics with R Training
2 Days │$1295

Tableau Advanced Analytics with R Training is developed for professional data visualization users who want to shift into data science and analytics to improve their business by equipping the analytical ability of R and the unique visualization capabilities of Tableau.

Schedules
September 25, 2023
October 2, 2023
October 23, 2023
November 13, 2023
December 18, 2023

Tableau Prep I Training   2 Days │$1495

This training is for those who have at least 3 to 6 months of experience in Tableau Desktop and are knowledgeable about writing calculations.

Schedules
September 25, 2023
October 2, 2023
October 16, 2023
October 30, 2023
November 13, 2023
November 29, 2023
December 5, 2023

Tableau Visual Analytics Training
2 Days │$1495

Tableau Visual Analytics training will teach you the best practices for sharing insights and information with others. This Visual Analytics training helps you create a visualization that others can easily use and understand.

SolarWinds

Solarwinds Orion 201: System Management & Monitoring Training
4 Days │$2295

SolarWinds Orion 201 Advanced Network Training contains an in-depth overview of SolarWinds modules for the Advanced Network track. This technical course covers SAM, DPA, WPM, NPM, SRM, VMAN, and the SolarWinds App stack views.

Schedules
October 16, 2023
December 11, 2023

SolarWinds Orion 101: Introduction to SolarWinds Training
5 Days │ $2695

This technical course provides comprehensive information about the features and best practices and helps experienced individuals learn advanced configuration options.

Schedules
October 9, 2023
December 4, 2023

Solarwinds Orion 303: Web Help Desk (Installation And Advanced Configuration) Training
2 Days │ $1250

SolarWinds Orion 303: Web Help Desk (Installation and Advanced Configuration) Training introduces individuals to the IT Service Management tool and helps them dive into other complex functionalities.

SolarWinds Orion 302: Log and Event Manager Training
2 Days │ $1195

SolarWinds Orion 302: Log and Event Manager Training is developed to help professionals gain comprehensive information on areas including LEM agents, LEM appliance deployment, LEM console, rules, filters, and reports.

SolarWinds Orion 202: Advanced Server Training
4 Days │ $2594

SolarWinds Orion 202: Advanced Server Training is aimed at professionals who have some experience with the SolarWinds platform and now want to enhance their skills and learn topics such as DPA, SAM, SRM, VMAN, Alerting, Custom SQL, and Reporting. Our enterprise training program is ideal for companies and organizations.

SolarWinds Orion 301: Automation and SDK Training
4 Days │ $1999

SolarWinds Orion 301: Database and Automation (Custom reports and Orion SDK) Training is a detailed overview of using the database for custom reporting and alerts.

Python

Python For Data Science Primer Training
2 Days │ $1459

Microtek Learning's Python for Data Science technical training introduces data analysts, business analysts, and anyone interested in data science to the Python programming language.

Schedules
November 13, 2023

JumpStart To Python For Data Science Training
3 Days │ $1999

JumpStart to Python for Data Science is a training program that is growing a new knowledge domain very vastly. In this course, professionals will learn to solve core data science problems using Python.

Schedules
September 27, 2023
October 11, 2023
October 25, 2023
November 11, 2023
November 29, 2023

Introduction to Python Programming Training
3 Days │ $1990

This technique familiarizes you with the programming best practices and helps you learn to store and represent data with the help of Python data types and variables.

Mastering Python Programming Training
5 Days │ $2359

Mastering Python Programming Training is developed to help professionals take their fundamental knowledge of running and writing Python scripts to the next level.

Advanced Python Programming Training
4 Days │ $2349

Advanced Python Programming Training is an in-depth technical course that helps professionals become experts at Python. It teaches you how to utilize advanced concepts to create real-time and advanced applications based on Python.

Call to register: 1-800-961-0337

Applied Python for Scientists and Engineers Training
4 Days │ $2495

Applied Python for Scientists and Engineers Training provides in-depth knowledge of Applied Python for professionals who have a basic understanding of Python Programming.

Data Science with Python Training

5 Days │ $2000

This technical course teaches you to operate on different Python libraries like NumPy, SciPy, and Lambda functions to name a few.

Python For Data Science Primer Training

2 Days │ $1459

Microtek Learning's Python for Data Science Primer technical training introduces data analysts, business analysts, and anyone interested in data science to the Python programming language.

Schedules
November 13, 2023
December 11, 2023

Python Basics Training
5 Days │ $2095

This program will help professionals know about the conditional execution and iterations of Python as control structures.

Introduction To Python Programming For Security Analysts & Professionals Training
4 Days │ $2595

Microtek Learning's Introduction to Python Programming for Security Analysts training program offers a boost to the career of all security professionals.

Schedules
November 6, 2023

Python Programming Essentials Training
4 Days │ $2295

Python Programming Essentials is a training program that enables professionals to solve a real-life problem.

Next-Level Python Programming (With Advanced Python Topics) Training
4 Days │ $2395

In this course, professionals will learn how to create modules, run unit tests, leverage OS services, query databases, define classes, code graphical application interfaces, interact with network series, and process XML data.

Essential Python Training
4 Days │ $2395

Microtek Learning's Essential Python course was designed to be compact, easy to extend, and easy to use. This course has a very active development community with an extensive standard library.

APIs And API Design With Python Training
5 Days │ $2150

Microtek Learning's APIs and API Design with Python technical training enable professionals to solve real-life problems and issues.

JumpStart To Python For Data Science Training
3 Days │ $1999

JumpStart to Python for Data Science is a training program that is growing a new knowledge domain very vastly. In this course, professionals will learn to solve core data science problems using Python.

Schedules
September 27, 2023
October 11, 2023
October 25, 2023
November 15, 2023
November 29, 2023

TTAML0002 Building Recommendation Systems With Python Training
3 Days │ $1999

Recommendation Systems with Python provide good recommendations regarding groceries, friends, and movies, enticing customers to use their platform and define the user experience.

Schedules
September 27, 2023
October 16, 2023
November 29, 2023

TTEP100 Introduction to Perl Scripting Introduction Training
3 Days │ $2105

TTEP100 Introduction to Perl Scripting Introduction Training familiarizes professionals with the Perl programming language and helps them solve common issues.

TTPS 4925 Perl Programming Essentials Training
5 Days │ $2745

TTPS 4925 Perl Programming Essentials Perl Training focuses on the core Perl concepts and teaches professionals about the most effective techniques currently being used in the web development world.

TTPS 4925 Perl Programming Essentials Training

5 Days | **$2745**

TTPS 4925 Perl Programming Essentials Perl Training focuses on the core Perl concepts and teaches professionals about the most effective techniques currently being used in the web development world.

TTPS 4926 Advanced Perl Programming Training

4 Days | **$2645**

TTPS 4926 Advanced Perl Programming Training provides comprehensive knowledge of advanced Perl coding tools that takes professionals from beginner to expert level.

TTPS4824 Python For Networking & System Administrators Training

4 Days | **$2195**

Python For Networking & System Administrators technical training program is mainly for the network administrator. This is an introductory course that is beyond the practical level.

Schedules
November 28, 2023

HL7

HL7 FHIR® Training

3 Days | **$2999**

This course is for FHIR programmers, interface developers and dedicated Implementers and is designed to provide the skills for the analysis testing, problem tracking and activation of phases of a FHIR project.

Schedules
October 25, 2023
November 22, 2023

HL7 FHIR® Exam Prep Training

1 Day | **$1499**

Become the team's go-to FHIR expert and assist your company in deciding whether, when, and how to deploy the technology.

Schedules
September 29, 2023
October 20, 2023
November 17, 2023
December 7, 2023

HL7® Fundamentals Training

1 Day | **$1499**

We can assure you that Microtek Learning is always working to develop the standard and will only teach you the latest updates.

Schedules
September 29, 2023
October 20, 2023
November 17, 2023
December 7, 2023

Data Science

Data Science with Python Training

5 Days | **$2000**

This technical course teaches you to operate on different Python libraries like NumPy, SciPy, and Lambda functions to name a few.

DP-100T01: Designing and Implementing a Data Science Solution on Azure Training

3 Days | **$1725**

DP-100T01: Designing and Implementing a Data Science Solution on Azure Training teaches the techniques to work with machine learning solutions at the cloud scale with the help of Azure Machine Learning. This technical course enhances and supports one's current knowledge of machine learning and Python to manage data preparations and ingestions, model training, and launch machine learning solution inspection in Microsoft Azure.

Schedules
September 5, 2023
September 20, 2023
October 11, 2023
October 25, 2023
November 15, 2023
November 29, 2023
December 13, 2023

HDP Analyst Data Science Training

3 Days | **$1999**

With the help of machine learning and natural language processing, this course will train students on the principles and methods of data science.

Python For Data Science Primer Training
2 Days | $1459

Microtek Learning's Python for Data Science Primer technical training introduces data analysts, business analysts, and anyone interested in data science to the Python programming language.

Schedules
November 13, 2023
December 11, 2023

JumpStart To Python For Data Science Training
3 Days | $1999

JumpStart to Python for Data Science is a training program that is growing a new knowledge domain very vastly. In this course, professionals will learn to solve core data science problems using Python.

Schedules
September 27, 2023
October 11, 2023
October 25, 2023
November 11, 2023
November 29, 2023

Data Analytics Course
2 Days | $1392

You can learn Power BI, Data Wrangling, Data Mining, and other skills by taking this Microtek Learning course on data analytics. Through current projects and case studies, gain knowledge from industry experts. Sign up for this course to become certified in data analytics.

Schedules
October 12, 2023
October 26, 2023
November 9, 2023
November 23, 2023
December 14, 2023

Practical Data Science with R Training
5 Days | $2795

Practical Data Science with R (PDSwR) is the course to start with if you are starting as a data scientist or aspire to be one. If you already practice data science, PDSwR will fill in knowledge gaps and even give you a new perspective on the technologies you now employ.

Practical Data Science with Python Training
3 Days | $1595

This course uses several graphs and visuals to explain all fundamental Data Science principles and their applications rather than complex mathematical calculations.

Project Management

PMP Certification Training
5 Days

This PMP® Certification Training Course will assist you in developing your skills and knowledge to give you a competitive advantage in the project management industry. It will also assist you in preparing for and passing the PMP Certification exam.

Schedules
September 25, 2023
October 16, 2023
October 30, 2023
November 13, 2023
November 27, 2023
December 18, 2023

Cybersecurity

CISA - Certified Information Systems Auditor Prep Course Training
4 Days | $2595

CISA - Certified Information Systems Auditor Prep Course Training provides you with comprehensive coverage on all the CISA exam domains offered by the ISACA (Information Systems Audit and Control Association).

Schedules
October 10, 2023
October 31, 2023
November 06, 2023
December 12, 2023

CRISC Prep Course Training
3 Days | $2195

In this course, you'll cover all four domains of the ISACA Certified in Risk and Information Systems Control (CRISC) exam and gain the knowledge and concepts required to obtain CRISC certification.

Schedules
October 25, 2023
November 22, 2023
December 13, 2023

CompTIA Security+ Training   5 Days │ $2195

CompTIA Security+ Training allows aspirants to gain valuable information for the implementation and maintenance of information security via a vendor-neutral format.

Schedules
September 25, 2023
October 2, 2023
October 16, 2023
October 23, 2023
November 6, 2023
November 13, 2023
November 27, 2023
December 4, 2023
December 11, 2023
December 18, 2023

AZ-500T00: Microsoft Azure Security Technologies Associate (Security Engineer) Training   4 Days │$2375

AZ-500T00: Microsoft Azure Security Technologies Associate (Security Engineer) Training is aimed at professionals to help them gain the skills and knowledge required to maintain the security posture, implement security control and recognize and remediate vulnerabilities with the help of various security tools. This technical course contains different essential topics, including virtualization, automation, and cloud N-tier architecture.

Schedules
September 18, 2023
October 9, 2023
October 23, 2023
November 6, 2023
November 20, 2023
December 4, 2023

CompTIA Cloud+ Training   5 Days │ $2195

The intention of this course is the development of cloud computing skills for professionals to manage IT workloads and ensure complete integration of products and services from different sectors.

Schedules
September 25, 2023
November 27, 2023

CompTIA PenTest+ Training   5 Days │ $2195

CompTIA PenTest+ Certification Prep (Exam PT0-002) Training course is an excellent option for the cybersecurity professionals who need to perform tasks of identifying, exploiting, reporting, and managing the vulnerabilities for any network.

Schedules
September 18, 2023
November 13, 2023

CompTIA Advanced Security Practitioner (CASP+) Training   5 Days │ $2895

CompTIA Advanced Security Practitioner (CASP+) Certification Prep (Exam CAS-004) Training helps you gain details on information security to take your career to the next level.

Schedules
September 25, 2023
October 23, 2023
December 11, 2023

CompTIA Cybersecurity Analyst (CySA+) Training   5 Days │ $2195

Microtek Learning's proactive course model helps professionals gain knowledge of cybersecurity analysts' duties who can efficiently monitor and detect security incidents through information systems to respond with immediate effect.

Schedules
October 16, 2023
October 23, 2023
November 13, 2023
December 18, 2023

Call to register: 1-800-961-0337

CEH - Certified Ethical Hacker v12 Training
5 Days │ $2499

In this online course for ethical hacking certification, you will learn advanced methods for network packet analysis and system penetration testing that will help you strengthen your network security knowledge and resist hackers. You will get access to certified experts who can help you at every step of the learning process.

Schedules
September 11, 2023
September 25, 2023
October 9, 2023
October 30, 2023
November 20, 2023

CND - Certified Network Defender Training
5 Days │ $2595

Our EC-Council-certified instructors give students a more profound understanding of network protocol, security protocol, VPN and firewall configuration, network analysis, and scanning for possible vulnerabilities.

Schedules
September 18, 2023
October 9, 2023
October 23, 2023
November 13, 2023
December 4, 2023

EC-Council Certified Security Analyst (ECSA) V10 Training
5 Days │ $2795

EC Council Certified Security Analyst (ECSA) V10 Training program equips the IT professionals with adequate knowledge ranging from Social Engineering Pen-Testing to Penetration reporting and Pen testing methodologies.

Schedules
September 25, 2023
October 9, 2023
October 23, 2023
November 6, 2023
November 20, 2023

CHFI - Computer Hacking Forensic Investigator v10 Training
5 Days │ $2795

The CHFI: Certified Hacking Forensic Investigator training course is a completely ANSI-accredited and lab-focused program.

Schedules
October 2, 2023
October 23, 2023
November 13, 2023
December 11, 2023

CSX Cybersecurity : Cybersecurity Fundamentals Training
2 Days │ $1399

Cybersecurity Fundamentals Training is developed for professionals with an extensive understanding of the principles that define and frame cybersecurity.

Schedules
October 19, 2023
November 9, 2023
December 7, 2023

CISM - Certified Information Security Manager Prep Course Training
3 Days │ $2395

CISM - Certified Information Security Manager Prep Course Training is designed to help people develop a good understanding of the relationship between information security programs and broader organizational objectives.

Schedules
October 11, 2023
October 25, 2023
November 8, 2023
November 22, 2023
December 18, 2023

SAP

SAP Overview Training
3 Days │ $2219

This course provides an overview of SAP applications and components, with a focus on business processes within SAP ERP.

Schedules
October 25, 2023

SAP Financial Closing in SAP S/4HANA Training
4 Days │ $3268

You will learn in this course the steps involved in an SAP S/4HANA system's financial closing process, its integration flow, and the necessary customizations.

Schedules
October 10, 2023
November 13, 2023

SAP BW/4HANA Data Warehousing Training
5 Days │ $3999

The course provides an introduction to SAP BW/4HANA and helps students build their foundational knowledge. It explains and produces information providers like CompositeProviders, Open ODS Views, and DataStore Objects (advanced).

Schedules
October 23, 2023

SAP BW/4HANA Modeling Training
5 Days │ $3999

Users with some BW/4HANA experience or users who have taken BW410 and are familiar with the BW/4HANA terminologies and fundamental data warehousing tasks should enroll in this course.

Schedules
October 9, 2023
November 13, 2023

SAP BW/4HANA Query Design and Analysis Training
5 Days │ $3999

This course gives an introduction to SAP BW/4HANA as well as in-depth expertise for designing BW queries in both SAP BW/4HANA and SAP BW powered by SAP HANA.

Schedules
October 2, 2023

SAP BW/4HANA Data Acquisition Training
5 Days │ $3999

Customers and consultants of SAP BW/4HANA can provide (load, replicate) data into SAP BW/4HANA with the help of this course.

Schedules
October 16, 2023
November 27, 2023

Integrated Business Processes in SAP S/4HANA Training
10 Days │ $8270

In order to be properly prepared for the certification exam, participants should reserve extra hours of self-study to review the course materials in more detail.

Basics of Customizing for Financial Accounting: GL, AP, AR in SAP S/4HANA Training
5 Days │ $3999

The training gives a general overview of how to use SAP S/4HANA's Financial Accounting capabilities to meet the necessary business needs.

Schedules
September 18, 2023
October 23, 2023

Additional Financial Accounting Configuration in SAP S/4HANA Training
5 Days │ $3999

In this course, you will learn how to set up and utilize the accounts payable and accounts receivable automation functionalities of SAP S/4HANA.

Schedules
September 18, 2023
October 30, 2023

Cost Center and Internal Order Accounting in SAP S/4HANA Training
5 Days │ $3999

Participants of this course will learn to configure and use the fundamental business processes and tasks of Cost Center and Internal Order Accounting with SAP S/4HANA.

Schedules
September 18, 2023
October 16, 2023

Product Cost Planning in SAP S/4HANA Training
5 Days │ $3999

Participants of this course will gain an overview of the fundamental business processes and tasks of product cost planning with SAP S/4HANA.

Schedules
October 23, 2023

Call to register: 1-800-961-0337

Profit Center Accounting in SAP S/4HANA Training
2 Days │ $1595

Participants of this course will gain an overview of the fundamental business processes and tasks of profit center accounting with SAP S/4HANA.

Schedules
November 9, 2023
December 4, 2023

Profitability Analysis in SAP S/4HANA Training
5 Days │ $3999

Participants of this course will learn to configure and use the fundamental business processes in Profitability Analysis in SAP S/4HANA, both Margin Analysis and CO-PA Costing-based.

Schedules
November 13, 2023
December 11, 2023

Business Processes in Financial Accounting in SAP S/4HANA Training
5 Days │ $3999

Participants of this course will gain an overview of the Financial Accounting capabilities of SAP S/4HANA. You will learn how SAP S/4HANA covers the Financial Accounting related business requirements and how the fundamental business processes and tasks are executed in the system.

Schedules
October 16, 2023

Financial Accounting in SAP S/4HANA for SAP ERP FI Professionals Training
2 Days │ $1499

The course provides an overview of the Financial Accounting capabilities that are new or different in SAP S/4 HANA compared to SAP ERP.

Schedules
October 12, 2023
November 16, 2023
December 11, 2023

Implementing SAP S/4HANA Finance for Group Reporting Training
5 Days │ $3999

Participants will learn how to configure consolidation from the ground up in an end-to-end scenario. Financial statement items, consolidation units and other master data will be discussed.

Schedules
October 16, 2023
November 27, 2023

Conversion of Accounting to SAP S/4HANA Training
2 Days │ $1499

This course provides an in depth look at the process for a conversion of the financial components to SAP S/4HANA.

Schedules
November 16, 2023
December 18, 2023

Financial Accounting in SAP S/4HANA - Academy Part I Training
10 Days │ $8270

The Financial Accounting in SAP S/4HANA academy is designed for recent consultants who wish to learn Financial Accounting in SAP S/4HANA thoroughly and pass the certification exam.

Schedules
October 23,2023

Financial Accounting in SAP S/4HANA - Academy Part II Training
10 Days │ $8270

Participants should set aside additional time for self-study to thoroughly go through the course materials in order to be well prepared for the certification exam.

Schedules
October 16,2023
November 27, 2023

Management Accounting in SAP S/4HANA - Academy Part I Training
10 Days │ $8270

The Management Accounting in SAP S/4HANA academy is designed for new consultants who want to learn in-depth information about Management Accounting in SAP S/4HANA and demonstrate this knowledge by being certified.

Management Accounting in SAP S/4HANA Academy Part II Training
10 Days │ $8270

The Management Accounting in SAP S/4HANA academy is aimed towards new consultants who want to obtain a broad and deep knowledge of Management Accounting in SAP S/4HANA and prove this by attaining certification.

Schedules
September 25, 2023

Business Processes in Treasury and Risk Management in SAP S/4HANA Training
5 Days │ $3999

This course provides an overview of the Treasury and Risk Management capabilities of SAP S/4HANA. You will learn how SAP S/4HANA supports the main business processes and how to execute these in the system.

Schedules
October 2, 2023

Management Accounting in SAP S/4HANA for SAP ERP CO Professionals Training
3 Days │ $2495

The course provides an overview of the Management Accounting capabilities in SAP S/4HANA compared to SAP ERP.

Schedules
November 15, 2023
December 13, 2023

Invoice Verification in SAP S/4HANA Training
3 Days │ $2475

In this course, participants become familiar with logistics invoice verification as the final step in the external procurement process.

Customizing in Cash Management in SAP S/4HANA Training
3 Days │ $2495

You will learn how SAP S/4HANA covers Cash Management related business requirements and how the business processes are executed in the system.

Business Processes in Management Accounting in SAP S/4HANA Training
5 Days │ $3999

Participants of this course will gain an overview of the fundamental business processes and tasks of Management Accounting with the SAP S/4HANA application.

Schedules
October 2, 2023

Asset Accounting in SAP S/4HANA Training
5 Days │ $3999

You will receive a comprehensive introduction to SAP S/4HANA's Asset Accounting settings and procedures in this course.

Schedules
September 18, 2023

Cost Object Controlling in SAP S/4HANA Training
5 Days │ $3999

Participants of this course will gain an overview of the fundamental production scenarios and its integration to Cost Object Controlling with SAP S/4HANA.

Schedules
October 9, 2023
NOvember 27, 2023

Business Processes in SAP S/4HANA Sourcing and Procurement Training
4 Days │ $3195

This course provides a comprehensive overview of the business processes in SAP S/4HANA Sourcing and Procurement. You will learn about the fundamentals, major business processes and functions.

Schedules
October 10, 2023

New General Ledger Accounting (in SAP ERP) for SAP S/4HANA Adopters Training
4 Days │ $3195

This course covers the common scope of New General Ledger Accounting valid for SAP ERP and SAP S/4HANA systems.

Schedules
October 12, 2023

Custom Code Migration from SAP ERP to SAP S/4HANA Training
2 Days │ $1499

To attend this course, you require prerequisite knowledge about ABAP Development in general and ABAP Programming for SAP HANA.

Schedules
October 5, 2023

SAP BusinessObjects Web Intelligence 4.3: Report Design I Training
2 Days │ $1564

You will learn the skills necessary to use SAP BusinessObjects Web Intelligence to access, analyze, and exchange information during this two-day training.

Schedules
October 19, 2023
November 14, 2023

Call to register: 1-800-961-0337

SAP BusinessObjects Business Intelligence Platform: Designing and Deploying a Solution Training
5 Days │ $3999

This course is aimed at experienced BI system architects, solution architects, and system administrators responsible for designing and deploying SAP Business Objects BI 4 solutions for their organization but is also open to anyone interested in this topic.

Schedules
November 13, 2023
December 11, 2023

SAP BusinessObjects Web Intelligence 4.3: Report Design II Training
2 Days │ $1564

You will learn how to use advanced Web Intelligence features after taking this two-day course.

Schedules
November 16, 2023

SAP Crystal Reports: Fundamentals of Report Design Training
2 Days │ $1510

By attending this course, you will be able to plan, design and distribute a Crystal Report. You will also gain better knowledge and understanding of the Crystal Reports Design interface.

Schedules
November 27, 2023

SAP Crystal Reports: Business Reporting and Report Processing Strategies Training
3 Days │ $2495

By attending this course, you will be able to plan, design and distribute a Crystal Report. You will also gain better knowledge and understanding of the Crystal Reports Design interface.

Schedules
October 25, 2023
November 29, 2023
